Section I – Continuing Education

A. Completion of Advanced-Level Courses

List any advanced-level course work you have completed at a degree-granting institution <u>related to international business credit or</u> <u>global financial management</u>. Each credit hour is equal to **one (1)** certification point with a maximum of **six (6)** points per course (including online courses). Official transcripts must be sent directly to FCIB.

Points:

E. Speaker, Presenter, Panelist

For time spent preparing and researching a topic for a speech or presentation, you will be awarded **two (2)** educational points for each hour of the presentation. Your presentation can take place at a locally-, regionally- or nationally-sponsored educational event. (Service as an instructor or speaker at an employer sponsored gathering is considered a local presentation). The subject of the presentation *must be related to international business credit, or global financial management.* The topic should be at an advanced level. Please provide verification of your listings.
